### **Career Overview:**

I am a Graphic Designer with a background in digital and print design, as well as UX/UI design. I specialize in developing engaging UX/UI elements that can be used in app and website creation.

### **Experience:**

#### **Barkin' Trails Marketing Internship, 2025**

Worked on collecting data and creating spreadsheets showcasing competitors and viable products for the company to put resources into. Work also included creating social media posts and networking with content creators to help advertise products.

#### **STRIPES 2023-2025, STRIPES Student Coordinator, 2025-26**

A student-led organization, directly under UOP's public safety department, meant to help officers complete tasks such as campus lock ups, student escorts, and various other assignments as needed. I was a lead for the organization starting May 2025. Tasks included scheduling, employee management, disciplinary action where needed (write ups and reports), as well as the other tasks mentioned above.
